

ALPHACRUCIS UNIVERSITY COLLEGE

GRADUATE RESEARCH SCHOOL INDUCTION (March and August each year)

Welcome

Welcome, introductions from Graduate Research School (GRS) staff and faculty, introduction to the GRS and AC's research culture.

Research sharing

Brief sharing of each person's research interests, both commencing students and GRS faculty

Key HDR forms and processes

- Overview of processes and progression
- Confirmation of Candidature
- Research Ethics
- Annual Progress Reports
- Presubmission milestone
- Examination
- Occupational health and safety

Participating in AC's Research Culture

- Monthly research training and development events
- Research Clusters
- Research Centres

Other things AC can do to support you

- Funding for research software as needed (e.g. for referencing, data analysis, transcription etc)
- Funding for specialised research training (e.g. ACSPRI)
- Funding for travel to present your work at academic conferences
- Academic writing support (e.g. Studiosity, Grammarly Premium)
- Professional editing of thesis before submission (only in approved cases, e.g. where the candidate's first language is not English)

Library

- Introduction to the Library for researchers
- Post-commencement one-to-one library consultation for all HDR candidates
- AC Library provides funding for all candidates to get one additional library membership, as needed

Supervision

- Introduction to research supervision
- How to get the most out of supervision
- Avoiding pitfalls in supervision
- Your first supervision meeting: assigning roles, agreeing on expectations

Research seminars

Weekly topics, research training, coursework assessment, etc

Q+A
