WHAT IS AN LCC?

An LCC is a 'Local Church College' — in other words a 'pop up college' hosted in your church. An LCC is a vehicle for you or your church liaison to be involved in the training and equipping of your leaders in your local church context while utilising world-class content and teaching from AC.

HOW DOES IT WORK?

- Alphacrucis (AC) University College provides your students with quality course content including videos through Moodle access online.
- AC marks all the assessments — so you or your liaison do not need formal academic qualifications to run an LCC.
- Students can watch content online at a time that suits their schedule.
- Students gather once a week for up to 2 hours per subject for discussion and application of content, in whatever 'pop up college' setting you choose — as casual as a coffee shop or lounge room, or as sophisticated as your auditorium or training rooms.
- Mentoring is provided by your church leadership helping students who study to apply their learning to their lives and also to your local church context.
- All courses include subjects that require practical ministry experience - so students get to serve and reflect on ministry areas in your church.

WHAT IS THE BENEFIT?

- An LCC enables you to participate in the forming of your leaders through mentoring.
- Your leaders will benefit from formal study in many ways — discipline is created, mindsets are challenged, lives are transformed and characters developed.
- Students can gain a qualification for the subjects completed and go on to further study in the future if they choose to.

HOW MANY STUDENTS DO I NEED TO START AN LCC?

We recommend that you start with at least 3 students. Discussions work best with several people — the more students you can get involved, the more of a buzz your LCC will have!

FAQs

HOW MUCH TIME IS NEEDED PER SUBJECT OF STUDY?

Each unit of study has about an hour of content to watch and some reading material and assessments. For Higher Education students it is recommended to allow up to 10 hours per week per subject. For Certificate IV in Ministry and Discipleship it is recommended to allow 8-10 hours per week per unit.

WHAT IS INVOLVED IN BEING A LCC LIAISON?

A liaison is the person leading your LCC. They will liaise with AC to grow and develop your College. A liaison does not have to have any formal qualifications but it is recommended that they have a love for study, a passion for the church and are in a leadership role. All academic questions are answered by our AC staff — so your liaison can concentrate on discipleship, encouragement and mentoring.

WHAT KIND OF ASSESSMENTS WILL NEED TO BE COMPLETED?

Being a skill-based course, most of the assessments in the CertIV have practical components which may need to be video recorded or observed by a supervisor. Some written assessments and quizzes are also used to supplement these practical assessments.

WHAT'S INVOLVED IN THE PROFESSIONAL PRACTICE SUBJECT IN THE DIPLOMA COURSES?

Working with an experienced supervisory mentor, students will complete a 100 hour placement over the course of semester (or split into 50 hour placements over 2 semesters).

HOW MUCH DOES IT COST?

Special Certificate IV pricing is available when students study through your LCC. Higher education courses are more expensive but have the benefit of FEE-HELP being available to approved students. Please contact churchpartnerships@ac.edu.au for details.

ARE THESE COURSES FEE-HELP APPROVED?

The Certificate IV is NOT approved. However, for Higher Education it is available for eligible students. Please visit studyassist.gov.au for further information, please note there is a loan fee added for every subject. There are also student study loans available for eligible students through studyloanmasters.com.au.
