COURSE OVERVIEW

The Diploma of Chaplaincy and Diploma of Leadership is a double diploma arrangement that leads to two separate awards in the minimum possible time. These courses of study are designed to produce graduates who can apply integrated technical and theoretical chaplaincy and leadership concepts in a broad range of contexts from a Christian worldview, as well as embody integrity, professional knowledge and social skills, making a positive contribution to society.

AC is committed to providing academic pathways for students. These courses of study allow flexibility for students who may wish to start with a short undergraduate course before committing to one of AC's bachelor degrees.

Work Integrated Learning

Work-Integrated Learning may be undertaken through various Professional Practice and Professional Experience subjects at AC. These subjects seek to create a direct linkage between the learning, skills and values engaged in lectures, and the reflection which occurs when these are applied in real-life settings. These work-based training subjects comprise of instruction, academic assessment and a placement in a workplace for each subject.

To qualify for the award of the Diploma of Chaplaincy, a candidate will complete 1 subject (10 credit points) of Professional Practice.
